Rahway Girlz Publishing-Co-Founder and Writer

- I am proud to have co-founded Rahway Girlz Publishing, a selfpublishing company that I run with my mother and sister. One of my accomplishments is publishing RGP Muse Magazine, where I show a diverse range of individuals from various backgrounds, such as Independent Indie Artists, Alternative Punk, Metal Core, Deep House and RnB. I design my magazine layouts using Canva and have featured many talented people, including authors, models, entrepreneurs, mentors, and graphic designers. In addition to managing our social media pages, I also create engaging graphics for both Instagram and Facebook. I am excited to be collaborating with my family on upcoming projects under Rahway Girlz Publishing.
